### Comments:

- God makes it clear that if they don't follow the commandments and worship other idols, God will cut off Israel from the land. This is what will happen after many years because of the exile.
- The Queen of Sheba traveled a long distance seeking Solomon's wisdom. This teaches us two things:
  - The heavenly wisdom Solomon gained was above and higher than all other things
  - Solomon at this time was famous around the world for his wisdom

- The Kingdom of Sheba is located in Yemen today.
- In Chapter 11, we see the downfall of Solomon.
- King Solomon loved many foreign women who took his heart away from God.
- God tried to bring him back through many adversaries.
- We see Jeroboam is rebellious against him. After Solomon's death, Jeroboam will cause the division to split.
- He will reign over 10 tribes and will be called the Northern Kingdom.
- We see this prophecy mentioned by the prophet Ahijah the Shilonite in 1 Kings 11:31
