- A summary of the sacrifices:

Old Testament Sacrifices					
Sacrifice	Purpose	Consisted of	God's portion	Priest's portion	Significance
Burnt Offering	Voluntary sacrifice for the atonement Sins in general	<ul style="list-style-type: none"> Bull without blemish Male sheep or goat without blemish Turtledoves or young pigeons 	Everything except the skin	The skin only	Complete dedication to God Symbolizes the sacrificial death of our Lord Jesus Christ
Grain Offering	Accompanied all burnt offerings First fruits offering	<ul style="list-style-type: none"> Flour, oil, frankincense, or corn Unleavened cakes/wafers of fine flour mingled with oil Green heads of roasted grain mixed with oil and frankincense 	Memorial portion burned on the altar of burnt offering	Remainder to be eaten in the court of the tabernacle	The flour signifies the humanity of our Lord Jesus Christ These were unleavened offerings because the body of Christ was clean of any sin
Peace Offering	To enjoy the peace of the Lord and to thank Him for it	According to wealth from the herd or the flock A male or female without blemish of the herd A male or female without blemish from the sheep or the goats	Fatty portions burned on the altar	Breast and right thigh	Complete dedication to God Symbolizes the sacrificial death of our Lord Jesus Christ

Trespass Offering	For forgiveness of specific sins concerning uncleanness and swearing, especially where restitution was possible	If the offense were against the Lord (tithes, offerings), a ram without blemish was to be brought; restitution was reckoned according to the value of the trespass, plus 1/5 If the offense were against man, a ram without blemish was to be brought; restitution according to the value, plus 1/5	Fatty portions to be burned on the altar	Remainder to be eaten in a holy place	The restoration of the object was necessary and it symbolizes that there is no forgiveness without repentance and removing any inequity

Comments:

- God established the Aaronic Priesthood
- The role of the priest is to speak to God on behalf of the people (compare with the role of the priest now)
- The role of the prophet is to deliver to the people God's message
- Compare what Moses did with the rite of the priest ordination now (As the Lord commanded)
- The Lord's wrath was aroused against Aaron's sons for not distinguishing between what is Holy and what is common (Be careful towards what is Holy)

THE HIGH PRIEST'S GARMENTS

EXODUS 28

© Mark Barry 2007. Please do not republish without permission, but feel free to copy for personal use.

TURBAN of fine linen above a golden plate, engraved with the words, "Holy to the Lord". The engraved plate symbolised the bearing of the people's guilt on the high priest's head. (36-39)

SHOULDER PIECES - two onyx stones in gold settings, engraved with the names of the sons of Israel for "remembrance". (9-12)

URIM & THUMMIM - Held within the breastpiece next to the high priest's heart, symbolising the bearing of the people's judgement before the Lord. These were probably used for making decisions on particular matters. (30)

SASH embroidered with needlework. (39)

EPHOD - a linen garment made of gold, blue, purple and scarlet yarns, held by a woven waistband. (6-8)

BREASTPLATE OF JUDGEMENT - a square of fabric made of linen in gold, blue, purple and scarlet yarns, and doubled over. The piece was held in place with cords of gold, attached to golden rings. Set in the breastplate were four rows of three stones set in gold, each engraved with the name of one of the twelve tribes. (15-29)

12 STONES were each engraved with the name of one of the twelve tribes:

- 1) sardius, topaz, & carbuncle
- 2) emerald, sapphire, & diamond
- 3) jacinth, agate, & amethyst
- 4) beryl, onyx, & jasper

The high priest would carry the names of the tribes on his heart into the Holy Place for "remembrance before the Lord". (17-20)

UNDERGARMENTS made from linen, covering the "naked flesh" from the hips to the thighs, so the high priest doesn't bear guilt in the Holy Place and die. (42-43)

Week 3: Clean and Unclean

Objective:

- Focus is on the purity of the flesh
- These became the main issues and debates among scribes and Pharisees, and the Lord Jesus Christ rebuked them for it
- Cleanness and uncleanness are related to *holiness*
- **Clean and unclean divided Jews and Gentiles (most important)**
- Clean and unclean is different in the Old Testament from the New Testament

Resources:

- Fr Tadros Y Malaty Commentary
- Catena Bible Commentary

Reading:

- Leviticus 11-15
 - Leviticus 11:1-20, 44-47
 - Leviticus 12 & 15:1-3, 13-16, 29-30 (together)
 - Leviticus 13 & 14 - Explain, do not read.

Key verse(s):

"be holy; for I *am* holy." Leviticus 11:44

Comments:

- Leviticus 11 (Animals)
 - Why is one clean and another not?
 - Many unclean animals (e.g. pigs) were used in pagan ritual and worship
 - Symbolic that man should imitate God
 - Sovereign Choice
 - This idea existed in Genesis
 - Noah took 2 of every unclean and 7 of every clean animal
 - The Lord Jesus taught the true meaning of cleanness and uncleanness (Read Mark 15:11 & Mark 15:17-20)
 - The idea was abolished in Acts 11
 - "Rise, Peter; kill and eat." – "What God has cleansed you must not call common"
- Leviticus 12&15 (Bodily discharges)
 - What are considered unclean?

- Discharges of blood from a woman
- Any discharge from a man
- Why are they considered unclean?
 - God wanted to separate sex from religious worship because the pagan nations combined the two
 - Normal intimate relations during marriage are not a sin, but they must be separated from religious worship
- Why 80 days for a girl and 40 for a boy?
 - 40 days is enough time for postpartum hemorrhage to stop. Doubling the period serves to remind us that the woman was the first to fall into temptation and introduce sin into the world
- **Does the Church consider girls unclean?**
 - **Absolutely not.**
 - Having a menstrual cycle does not make you unclean-this is the Old Testament way of thinking.
 - Sin makes us unclean.
 - However, it is not proper to approach the Body and Blood of Christ when I am bleeding (male or female) or have had a discharge (male or female).
 - We must be pure in soul, body and spirit to receive the Mysteries
 - How the Lord Jesus dealt with that issue - **Read Luke 8:43-4**
- Leviticus 13 & 14 (Leprosy)
 - 21 different cases of skin disease in Chapter 13, 3 cases of garments
 - They are all visible, external (not internal diseases)
 - They are not fatal
 - They affected part of the body not all of it
 - They are all chronic, contagious, or contaminating
 - Only the priest could declare a skin condition clean or unclean
 - The concern is not curing the individual, or protecting public health, but protecting the sanctity of the Tabernacle: the dwelling of God.
 - Unclean things are either washed with water, burned with fire, broken, or torn down and demolished
 - Cleansing process involved ritual cleansings, sacrifices, other rituals
- **Conclude with this:**
 - Uncleanliness in the NT (Read 1 Corinthians 6:9-10)

Review/recap questions:

***Servant may add more questions*

Resources:

- [Fr Tadros Y Malaty Commentary](#)

Reading:

- Leviticus 16-17

Key verse(s):

"This shall be an everlasting statute for you, to make atonement for the children of Israel, for all their sins, once a year." Leviticus 16:34

Comments:

The day of Atonement

1. Aaron should remove his normal priestly garments, wash himself, and then put on the special garments for entering the Holy of Holies
2. Aaron secured the necessary animals (a bull for his own sin offering, two male goats for the people's sin offering, two rams for the two burnt offerings)
3. Aaron slaughtered the bull for his own sin offering
4. Aaron creates a cloud of incense in the Holy of Holies, covering the mercy seat to "veil" the glory of God and spare his life
5. Aaron took some of the blood of the bull and sprinkled it on the mercy seat seven times
6. Lots are cast for the two goats to determine which would be slaughtered and which would be driven away
7. The goat for slaughter is the goat of the people's sin offering. It is sacrificed and its blood is taken to the Holy of Holies and sprinkled on the mercy seat.

8. The blood of the bull and goat is sprinkled in the Holy Place and on the horns of the altar of incense
 9. The second goat is released outside the camp, carrying the sins of the nation symbolically laid on its head
 10. Aaron entered the tent, removed his garments, washed himself and put on his normal priestly garments
 11. The burnt offerings of rams are now offered. One for Aaron and his family, and one for the people
 12. The sin offerings are completed by burning the fat of the skins and burning the remains of the bull and goat
 13. Those who handled the animals on which the sins of Aaron or the people were laid were to go and wash themselves and then return to camp
- The people played an active role in the Day of Atonement even though they were observing a Sabbath rest.
 - The Vestments of the Priest
 - The normal vestments were colorful, with many stones and jewelry and gold-made to look like a king.
 - On the Day of Atonement, the priest looked more like a slave when he went before the presence of God
 - In the presence of God, even the high priest is stripped of all honor: he becomes simply the servant of the King of kings
 - The Day of Atonement was a time for the priest to confess before God the sins of the nation.
 - **We can see the Sacrament of Confession**

Symbolism of Christ

- Putting off luxurious clothes is a symbol of Christ who emptied Himself with His incarnation.
- Wearing white clothes and frequent washing are symbols of Christ's purity and righteousness.
- This day was repeated every year, as if the period of the year indicated the period of Christ's physical stay on earth.
- At the end of the year, that is, the end of Christ's life on earth, He offered himself as an atonement for our sins
- The entry of the high priest into the Holy of Holies symbolizes that Christ carries us to the Father
- The high priest's intercession on behalf of the people is Christ's intercession for us, an atoning intercession.
- When the High Priest enters the Holy Place, all the people look to the Holy Place, waiting for his coming out. Thus, we look to heaven, waiting for the appearance of Christ in His second coming.

Chapter 17 - The Sanctity of Blood

- Putting off luxurious clothes is an indication of Christ's self-emptying.

Wearing white clothes and frequent washing are symbols of Christ's purity and righteousness.

The entry of the high priest into the Holy of Holies symbolizes that Christ carries us into the arms of his Father.

The high priest's intercession on behalf of the people is Christ's intercession for us, an atoning intercession.

When the High Priest enters the Holy Place, all the people look to the Holy Place, waiting for his second coming out. Thus, we look to heaven, waiting for the appearance of Christ in his second coming.
