- **Comments:**

- **Preaching Christ (verses 1-7)**

- The Apostle Paul always takes pride in identifying himself as a servant of the Lord Jesus by his own will because Christ loved him first, called him, and chose him as an apostle by appearing to him personally. His mission is to preach the gospel.
- Just as Christ chose Paul, He also wants to choose us, despite our weaknesses and sins.
- We see in this introduction that the Lord Jesus is the center of the message. Through His resurrection from the dead, it was revealed to us that He is indeed the living God who rose by the power of His divinity.
- The Lord Jesus offered the grace of redemption to all humanity—not because we deserve it, but because of His love for us.

- **Encouraging the believers (verses 8-12)**

- *Verse 9 " For God is my witness, Whom I serve with my spirit in the Gospel of His son..."*
 - Only worship acceptable before God, is worship in spirit, where we walk according to the commandments of the Gospel.
 - Care about praying for those you know, trusting that your prayer opens their hearts to know God and strengthens them in Him, while also deepening your personal relationship with God first.

- **Paul's desire to preach in Rome (verses 13-17)**

- St. Paul declaring that he is ready to offer all his abilities and talents in serving and preaching among them.
- *Verse 17: "For in it the righteousness of God is revealed from faith to faith; as it is written , "The just shall live by faith."*
- From faith to faith, means that Christ's redemption transferred us from **the first faith in the Old Testament**—where a person had to follow the works and commandments of the Law and offer many sacrifices to **the second faith in the New Testament**, based on trusting in the sacrifice of Christ the Redeemer on the cross.

- **Rejecting God and worshipping idols (verses 18-23)**

- St. Paul declared, God's wrath upon the Gentiles who rejected God and worshipped idols. No one has an excuse to claim ignorance of God because His voice is within them—their conscience.
- God's living creation—humans, animals, plants, mountains, seas, and stars, along with the marvelous order of nature, clearly testifies to the existence of a great God behind this creation.

- **Taking part in impurity and adultery (verses 24-32)**

- When man replaced God with idols, God allowed him to fall into impurity. In other words, God left the wicked to act according to their own will.
- That doesn't mean, God would hand them over to evil; rather, they fell by their own choice, like a patient who refuses to listen to his doctor's advice.
